JAY WEISS INSTITUTE FOR HEALTH EQUITY

- Established in 2004 as University-wide Center
- In 2013, moved under umbrella of the Sylvester Comprehensive Cancer Center
- Three areas of emphasis:
 - Research (and corresponding infrastructure to facilitate stakeholder engagement)
 - Outreach
 - Training
- All such work grounded in the principles of Participatory Action Research (PAR)

Community Advisory Groups in Development

Current Community Advisory Groups

Miami Gardens

Opa Locka

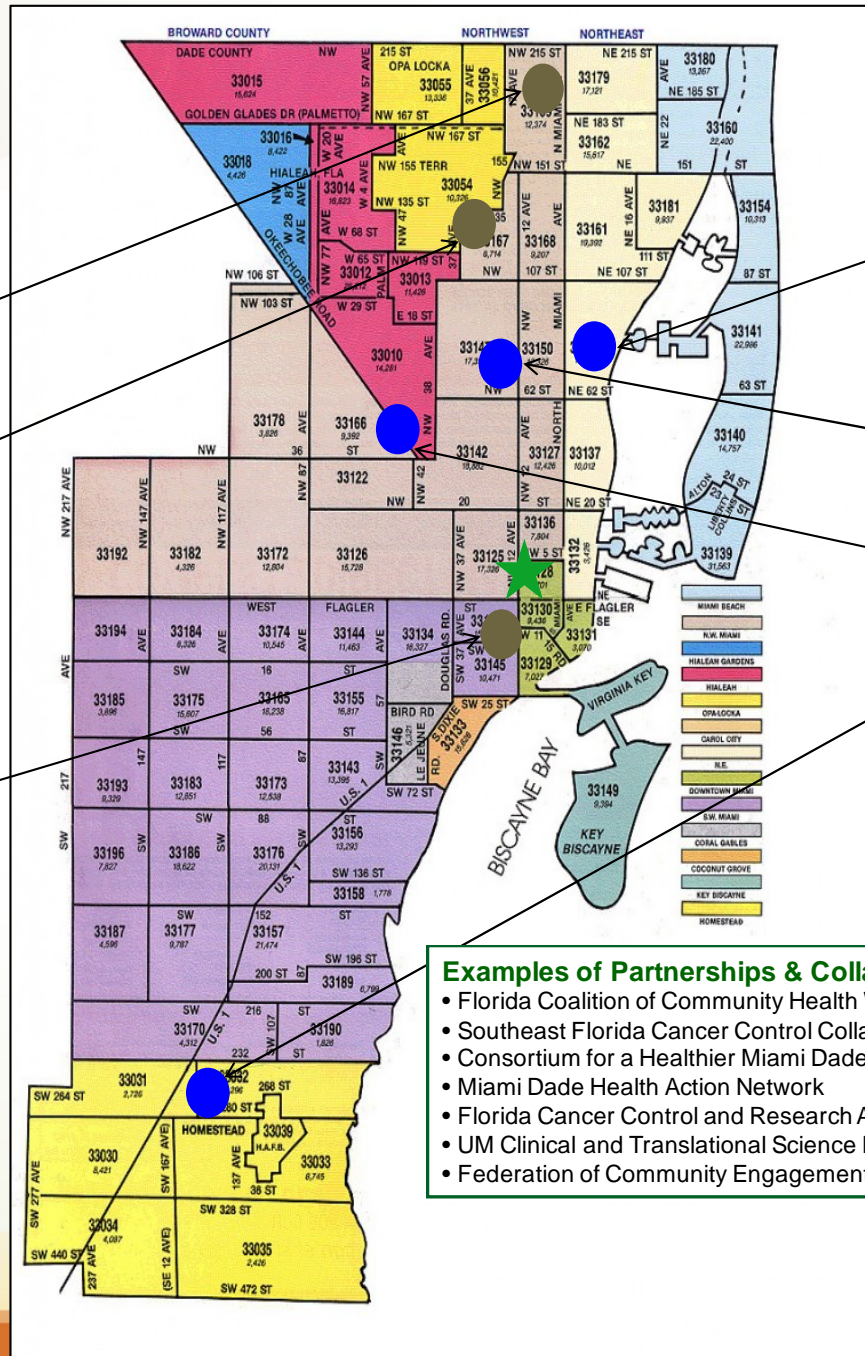

Little Havana

Little Haiti

Liberty City

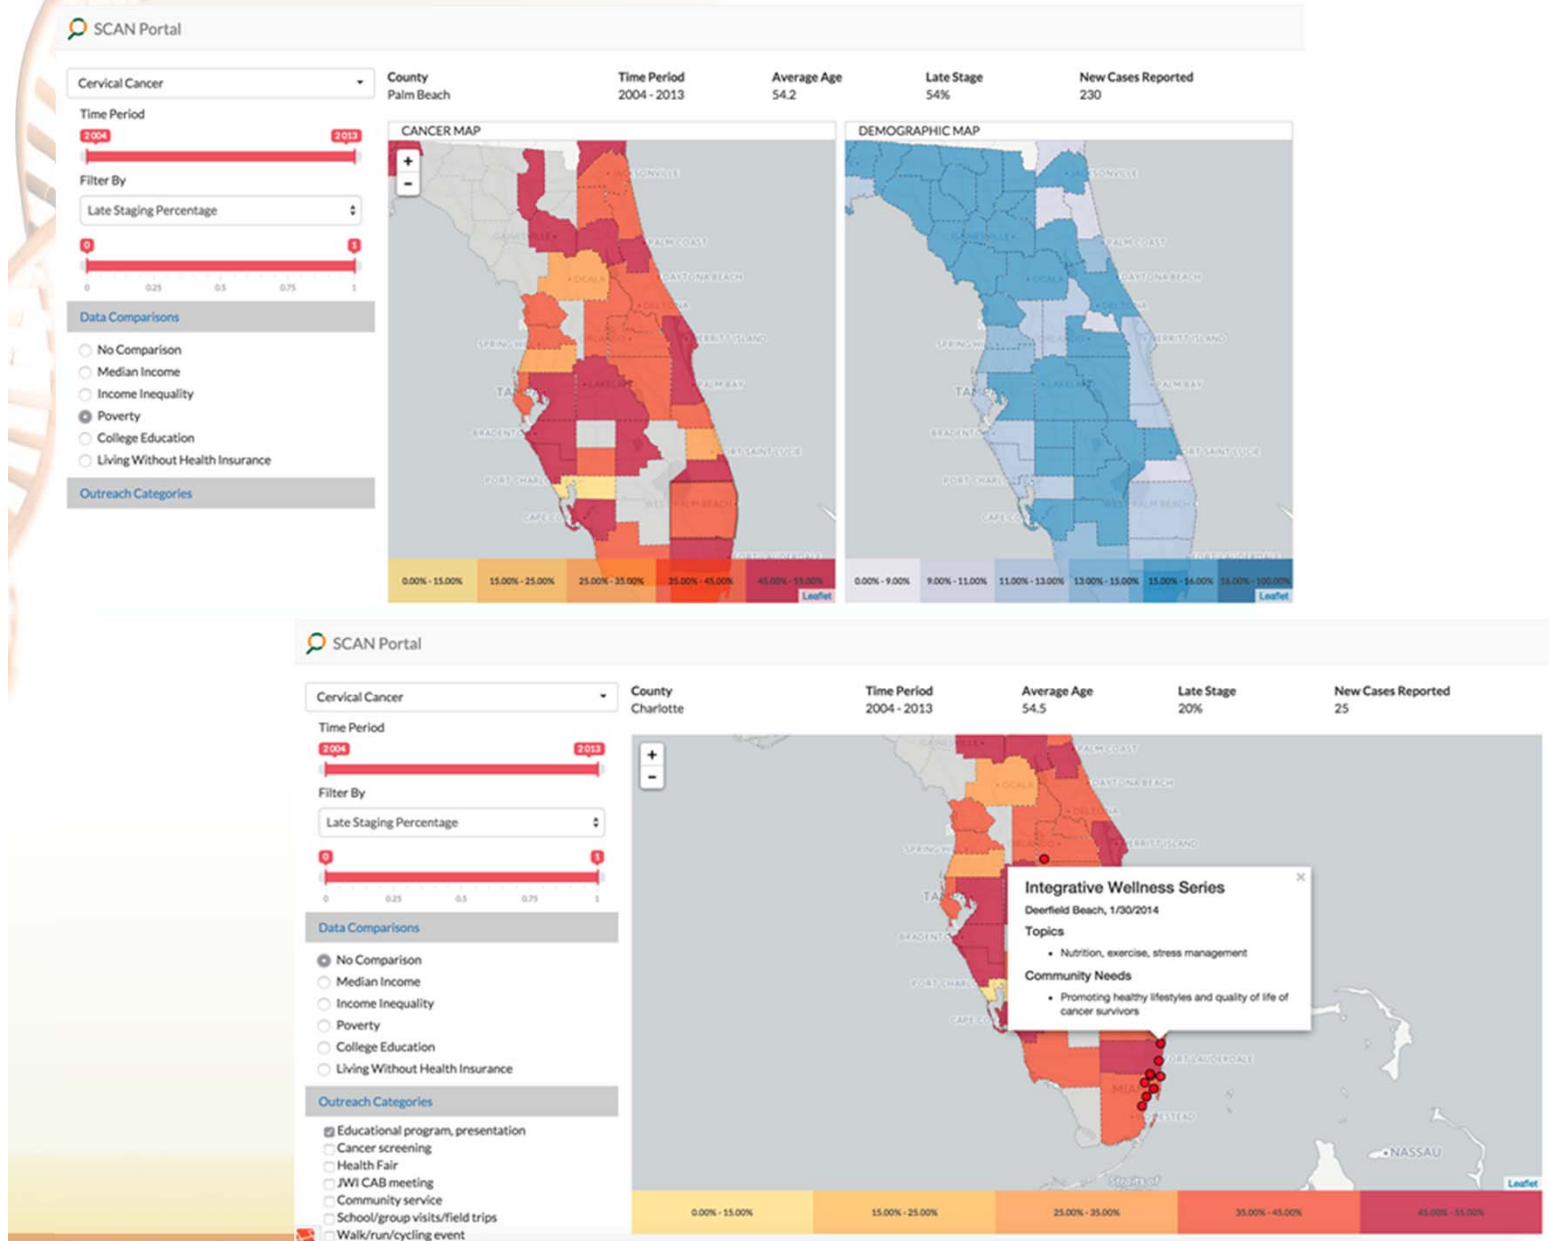

Hialeah

South Dade

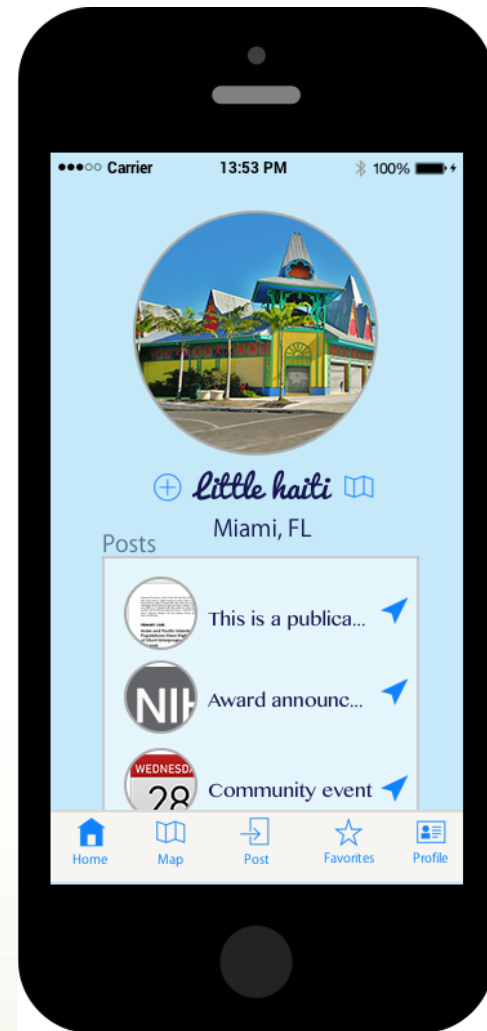

- ### Examples of Partnerships & Collaborations
- Florida Coalition of Community Health Workers
 - Southeast Florida Cancer Control Collaborative
 - Consortium for a Healthier Miami Dade
 - Miami Dade Health Action Network
 - Florida Cancer Control and Research Advisory Council
 - UM Clinical and Translational Science Institute (CTSI)
 - Federation of Community Engagement Cores

SYLVESTER CANCER PORTAL (SCAN)

SCAN "ON THE GO"

FIREFIGHTER CANCER INITIATIVE (FCI)

- Funded through State Appropriation in 2015
- Tri-County effort to understand and address excess cancer risk among firefighters
- Interdisciplinary collaboration involving six Schools and/or Departments from across the University
- Cohort of new recruits has attracted national attention and collaboration

PILOT GRANT PROGRAM

1. Three grants to support collaboration between diverse stakeholders to address issues of cancer disparity
2. Inaugural pilot grant to support translation of evidence-based intervention into community settings BY community partners

EXAMPLES OF OUTREACH

- “What’s Up, Doc?”
- Collaboration with Department of Community Service (DOCS)
 - Student-run health fairs
 - Cancer-focused screenings and follow up
 - EMR
 - Community registry for clinical trial enrollment
 - PAR toolkit

TRAINING

- Community Health Worker (CHW) Research Training (PCORI)
- Medical student pathway
- T32s (under review) in surgical oncology and cancer biology
